Section I: Courses for Child Welfare

Foundation Courses:

Child Welfare/Child Protective Services Common Core for New Caseworkers

Mode of Delivery	Classroom & CBT
Duration	16 Days (plus 1 Day of CONNECTIONS training)
Work Plan Code	CC02
Approved Audience	New local district and voluntary agency CW and CPS caseworkers

The Common Core training is the foundation piece of the Outcome Based Training System. It is designed to provide new child welfare and child protective services caseworkers with a common set of knowledge, skills, and abilities to help them achieve the outcomes sought by the NYS Child Welfare System. The training includes the legal framework for child welfare; identification of abuse/maltreatment; the assessment of, and response to, safety threats and risk elements within a family systems perspective; a framework for practice that emphasizes strengths-based, solution-focused practice and family engagement skills; the role of the caseworker; the use of authority and the strategic use of a professional helping relationship to engage families in assessment (safety, risk, abuse/maltreatment, strengths and resources), and service planning; how to assess and influence change readiness; interpersonal skills, critical thinking skills and decision-making skills, including interviewing skills with children and families; and developing service plans with families.

Core Essential Skills for Experienced Caseworkers

Mode of Delivery	Classroom & CBT
Duration	8 Days
Work Plan Code	CC36
Approved Audience	Experienced local district and voluntary agency CW and CPS caseworkers who did not attend Common Core or CPS Foundation Part 1 and Part 2

This training program provides child welfare caseworkers who have at least six months of experience, and did not attend Common Core or CPS Foundation Part 1 and Part 2, with the knowledge, skills, and abilities they need to achieve the goals of child and family safety, permanency and well-being. It includes identifying child abuse and maltreatment; safety and risk assessment; effective communication; strengths-based assessments; assessing and interviewing children; engaging families in ongoing safety assessment; and engaging the family in developing and implementing the service plan.

Pre-Requisites	none
CPS In-Service Credit	No

CPS Foundation Part 1

Mode of Delivery	Classroom & CBT
Duration	8 Days
Work Plan Code	CC02
Approved Audience	New caseworkers who have a role in Child Protective Services Responses

This program will enhance foundational competencies of new caseworkers who have a role in Child Protective Services Responses, including FAR and on-call, by providing them with the knowledge and skills necessary to effectively begin working with children and families. This course provides foundational learning necessary to proceed to Child Protective Services Response Training (CPSRT).

Courses for Child Protective Services Staff:

Child Protective Services Response Training

Mode of Delivery	Classroom, CBT & Virtual Classroom
Duration	Pre and mid classroom modules; 8 Days includes 1 Day CONNECTIONS training
Work Plan Code	CC03
Approved Audience	Local District CPS caseworkers, supervisors and managers and provider agency FAR staff as well as OCFS staff involved in FAR.

This course is the core training required by law for CPS caseworkers who assume CPS responsibilities, both Family Assessment Response (FAR) and investigative. It builds upon safety and risk assessment and critical thinking skills and values acquired through the Common Core by applying them to CPS. It focuses on: the principles and techniques of assessing safety and risk; investigation; determination of allegations; relationships with other investigative bodies; and legal issues.

Mandated for Local District CPS and Child Welfare Caseworkers and supervisors and provider agency FAR staff.

Pre-Requisites **Common Core or Core Essential Skills or CPS Foundation Part 1**
CPS In-Service Credit **Yes**

Domestic Violence Training for Child Protective Workers

Mode of Delivery **Classroom**

Duration **2 Days**

Work Plan Code **CC13**

Approved Audience **Child Protective Service (CPS) workers in local districts**

This training program assists CPS caseworkers to identify the presence of domestic violence in families and to conduct accurate safety and risk assessments. It teaches how to support and sustain non-DV offending parents’ efforts to protect themselves and their children and meet their needs and how to engage DV offending parents to assume responsibility for the impact of their abusive behavior on their children and to meet their needs for safety, permanency and wellbeing. The training is designed to help participants to integrate best practice domestic violence practice strategies within their child protective services’ practice, use self-reflection in their day-to-day work, and build their ability to apply critical thinking skills to interviews, assessments and decision making.

Mandated for all CPS workers.

Pre-Requisites **Common Core or Core Essential Skills or CPS Foundation Part 1 and Part 2 and CPSRT**
CPS In-Service Credit **Yes**

Forensic Interviewing Best Practices

Mode of Delivery **Classroom**

Duration **3 Days**

Work Plan Code **CC31**

Approved Audience **Local district CPS caseworkers and supervisors, Multi-Disciplinary Team members, Joint Response Team members and Child Advocacy Center staff.**

This training builds on the skills and abilities required for a successful interview. This training includes participants from a multi-disciplinary team (or joint response protocol) and affords team members the opportunity to practice their co-interviewing skills. Forensic Interviewing Best Practices (FIBP) depends on highly skilled trainers for effective delivery. It is critical that the trainers for this project have demonstrated skills in the areas of child sexual abuse and forensic interviewing. All trainers must be actively working in these areas and considered experts in their field of practice.

Permanency for Youth: Six Steps to Engaging Families

Mode of Delivery	Classroom
Duration	1 Day
Work Plan Code	RC01.04
Approved Audience	DJJOY staff only

Adolescents need safe, stable, and secure relationships, love, unconditional commitment, and lifelong support. Permanency is both a process and a result that involves the youth as a participant or leader in finding a permanent connection with at least one committed adult through reunification, a legal adoption, or guardianship. Participants are introduced to a structured model for partnering with youth and families in identifying and engaging adults who can provide them with permanent and caring relationships. It will explore how attitudes and the culture within an agency towards youth may influence their permanency practices. Concrete strategies for developing sustainable practices that can improve youth permanency outcomes and improve the ways they engage with youth in planning for their future will be taught.

Promoting Positive Youth Development and Well-Being (PPYD)

Mode of Delivery Classroom & CBT

Duration 2 Hour CBT, 2 Day Classroom

Work Plan Code RC01

Approved Audience Local district and provider agency caseworkers, supervisors, foster parents, child care workers, Division of Juvenile Justice and Opportunities for Youth (DJJOY) staff and Youth Bureau staff.

This is a blended training, part 1 is a computer-based training (CBT), part 2 is the classroom training. Prior to attending the classroom training, participants must have completed the CBT. This training will assist those working with youth in care to promote positive youth development and well-being using Positive Youth Development (PYD) strategies. PYD strategies encourage service providers to look at youth from a holistic perspective, view youth as partners

in their own development, provide youth with the skills and opportunities to foster better decision-making, and prepare youth to take the lead in achieving their goals. Understanding adolescent development, and how the trauma many youth in care have experienced affects their development, is necessary for caseworkers who work with adolescents in care. Being able to communicate with youth and use PYD strategies will assist workers in partnering with youth, better assessing their needs, and creating realistic youth-led plans. This will, in turn, help youth successfully transition from care and sustain life-long success.

Regulatory Staff Training Institute

Mode of Delivery **Classroom**
Duration **1 Day**
Work Plan Code **DC01**
Approved Audience **Child Day Care Regulatory Staff**

This three-part course consists of three one-day classroom trainings to provide new regulatory staff with an essential foundation for assessing regulatory compliance and offering technical assistance to child day care providers in all modalities of care. The first session introduces participants to regulated child care, the basics of developmentally appropriate practice, and provides practical explanations and application of the regulations. The second session focuses on inspections and complaint investigations and effective communication. The third session addresses the application process, critical thinking for regulators, and strategies for helping regulators manage their work. The prerequisite to this training is: The Regulator’s Guide to NYS Social Services Law, Regulations, and Policies.

The Regulator’s Guide to Safety Assessment

Mode of Delivery **Classroom**
Duration **1 Day**
Work Plan Code **DC01**
Approved Audience **Child Day Care Regulatory Staff**

This training teaches regulatory staff how to assess the appropriateness of individuals to be involved in child day care. Safety assessment is one element of a larger mosaic: the “big picture” of determining whether or not it is appropriate for a child day care program to be

licensed or registered in the first place, to continue to be licensed or registered, or for an individual to have regular and substantial contact with children in the program. This training provides regulatory staff with basic critical thinking skills as a foundation to conducting thorough assessments.

Working Through Challenging Situations

Mode of Delivery **Classroom**
Duration **1 Day**
Work Plan Code **DC01**
Approved Audience **Child Day Care Regulatory Staff**

This training is designed to help child day care regulators develop practical strategies as they work professionally with child care providers in various modalities of care. The skills regulators will develop will not only help them resolve challenging situations, but will also help prevent these situations from occurring in the first place. Regulators know that respect is a two-way street: The professional respect they consistently employ in their interactions with providers will help those providers return that respect. Providers who see their regulators as professional partners in promoting and protecting children's health, safety and development are more likely to work proactively with regulators, seek out technical assistance from regulators, and be receptive to technical assistance when it is offered. There is a brief follow-up iLinc session that goes along with this course.

LL: Conflict Resolution

Mode of Delivery Virtual Classroom

Duration 2 Hours

Work Plan Code DLT01

Approved Audience Local District Staff

Conflict is a necessary and integral part of realistic and effective problem-solving discussions. It is the essence of sound decision making because disagreement is the best vehicle for broadening perspectives, discovering alternatives and stimulating creative interaction among team members. The effects of disagreement, however, depend on how they are managed by team members. Conflict can be disruptive or it can be constructive. When mismanaged, conflict can destroy a team's effectiveness; when handled well, it can greatly increase the quality of a team's work and make members feel proud of their work in the team. This class will provide participants with an understanding of the impact of conflict in the workplace, the causes of conflict, reactions of staff and others to conflict, steps towards resolving conflict as well as principles and strategies for effective mediation.

Appendix 1: How to Access OCFS Contracted Training

OCFS-sponsored contracted training is available through a variety of methods. Courses are offered through classroom training, symposiums, and seminars, as well as through a variety of asynchronous and synchronous distance learning methods, such as computer-based training (CBT), webcasts, webinars and virtual classrooms (iLinc). Local Departments of Social Services require staff to register for training through their Staff Development Coordinator. This documents that the supervisor, staff development unit, and the budget department in the district are all aware of the training and have approved the worker's attendance. Training Coordinators from provider (voluntary) agencies register staff for training.

Human Services Learning Center (HSLC):

Human Services Learning Center (HSLC) is an easy-to-use Web-based learning management solution for the administration, documentation, tracking, and reporting of training programs, classroom and online events, e-learning programs, and training content.

The Human Services Learning Center allows users to search an online Course Catalog, register for classes, complete online evaluations, build training plans, and track their continuing education. The registration feature of the training management tool system tracks all your activity and provides a complete training history for its users. Additionally, complete training plans or training paths can be designed and tracked for each user. Organizations in HSLC include state, local districts, and not-for-profit agencies, as well as day care providers, individuals who are mandated reporters, and foster and adoptive parents.

The web address to HSLC is <https://www.hslcnys.org>. To inquire about registration through HSLC please phone the HSLC Help Desk at 1-800-413-3210. You can also send an email to: starssupport@bsc-cdhs.org. Agencies that do not currently use HSLC and are interested in becoming an organizational user may use the same contact information to register their agency.

Regional and District – Specific Program Improvement Support:

Regional and District - Specific Program Improvement Support: Some training is offered through the OCFS Child Welfare and Community Services Regional Offices to address casework practices and is customized by the district and Regional Office. These trainings are region or district specific and open only to that region or district. HSLC will distinguish these trainings with the designation of **by invitation only**. Other courses identified as **by invitation only** support specific practices such as Teaming and Family Assessment Response, which local districts implement in partnership with the provider and OCFS.
